February 2010 IFMA Hampton Roads Monthly Meeting

Virginia Beach Fire Training Center

The Virginia Beach Fire Department is a customer service organization partnering with communities, members, citizens and visitors to foster the feeling of safety any place, any time, through planning, mitigation, response and restoration.

See the Burn Building

This building consists of a three-story burn area and a four-story stair tower. The first and second floors of the burn building contain six rooms each. The third floor consists of a large one-room area. The interior stairwell of the burn area has a standpipe hookup at each landing for companies to make hose connections. Each room has three thermal sensors that are connected to a central computer to monitor the interior heat conditions. The exterior of the building has a number of outcroppings (decks) with railings, which allow for a variety of ways to gain entry or egress. The four-story stair tower consists of an open metal scissor type stairs with a hose connection at each landing.

Battalion Chief, Laurie A. Gurley, Chief of Fire Training with the City of Virginia Beach Fire Department will lead us through the facility, highlighting the challenges of running a training operation. She has 22 years of service; 17 years with VATF2; Board Certified Fire Investigator/Inspector; Operational Chief of the Marine Team Division. She holds a Masters Degree, has her CFO and is currently enrolled in the Executive Fire Officer Program (EFO) with the National Fire Academy.

New Lunch Arrangements & Directions

We will meet for Registration at 11:15 a.m. and Lunch at 11:30 a.m. at the famous "The Raven Restaurant"

Please RSVP with your choice of lunch items:

Choice of (choose one):

Hamburger / Cheeseburger / Raven Club Sandwich / Chef Salad / Cesar Salad

We will depart the Raven at 12:20 p.m. for the Training Station. Please stay with the time schedule as we are trying to be sure you have enough time to tour the facility and stay within our 1:00 PM adjournment.
