**Chapter Meeting: Challenges of Commissioning Existing Buildings**

Presented by Amy B. Reineri, Casa Architecture, Newport News, Virginia

Amy works in a facility consultation capacity with small commercial clients in addition to her work on many of their architectural projects.

Along with documenting existing buildings and drawing up construction documents, she has performed building forensic studies since 1997.

She has also had state training in plan review and has been a member of International Facilities Management Association since 1996.
