Industrial Cyber Defense and Incident Response Training

Presented by Greg Dane

Business Development Manager for the Institute for Cybersecurity, Regent University

Greg Dane has over 30 years of business development experience in multiple vertical markets. He graduated from The University of Tennessee, is a member of IFMA in Nashville, Tennessee and for several years has worked in private security.

Join us on March 19 for Greg's presentation on topics for Facility Managers, Supervisors and Department Heads, including:

- Industrial Cyber Defense
- Incident Response Training
- Data Acquisition – Industrial Control
- Who bears the responsibility for a Security Breach?
- Executive Cyber Risk Management

"Success is not final, failure is not fatal. It is the courage to continue that counts."

–Winston Churchill

Special thanks to our IFMA Chapter Annual Sponsors:
