President's Message

What a year it has been! It has been a journey of trials and focusing on the new movements to come in our future. Although this past year has brought on many changes, it is so rewarding to see everyone working in different capacities to keep in touch and stay connected.

As we break for July and August, planning is in the works for the new term. Reflection on some of the past years events brings so much excitement for the new year to come and to actually be able to have more in person meetings and focus on growth, building relationships, and education in facilities.

Thank you to this entire group of amazing colleagues for helping make this past year breeze by with a multitude of laughs and great memories. As we fast forward into our new year, collectively we look forward to seeing everyone at some great upcoming events, tours, and education sessions.

Respectfully,

Shannan Kujawski

May: Spring Charity Golf Outing and Awards Banquet Benefiting PiN Ministry

Our 2021 golf tournament was held on May 11th at Sleepy Hole Golf Course in Suffolk, VA. We had a great turnout, and it was a beautiful day. This year, a portion of our proceeds and all our mulligan sales went to help support PiN Ministry. PiN (People in Need) Ministry is in Virginia Beach and provides food, clothing, shelter, and free medical care for people that are homeless or extremely poor in Hampton Roads. We are proud to partner with this non-profit organization!

The IFMA-Hampton Roads Board of Directors thanks the 2021 Golf Committee, each member of the 20 teams, and our tournament sponsors. This event would not have been such a success without everyone that was involved.

June: Summit Pointe Tour

On June 16th, we were treated to a tour of Summit Pointe's newest office tower, 555 Belaire. This brand new, 160,000 SF building is in the heart of the new Downtown Chesapeake between Volvo Parkway and Belaire Avenue and offers the area 5 levels of Class A office space.

We gathered in the first-floor lobby before being escorted up to a meeting space. After enjoying a boxed lunch, our attendees heard firsthand from Bob Gantt and Amy McDowell of the Dollar Tree on some of the challenges they faced during construction of 555 Belaire as well as a timeline of future development of Summit Pointe. Next, we took a tour of several areas of both finished and unfinished spaces.

July: 2021-2022 Planning

The 2021-2022 Board Officers and Committee Chairs of the Hampton Roads chapter recently had their annual dinner and planning session. As always, the food was great, the wine was flowing, and much was accomplished. We are excited to begin this new year, post COVID, and offer many exciting and informative events. Thank you to our Officers and Chairs who agreed to continue to work towards IFMA's goal to help our members strive as well as to our newest Chair, Greg Belliveau from Apple Moving. Welcome aboard Greg!
