Active Shooter Scenarios

Have you thought about what you would do in an active shooter scenario in your facility? Have your employees thought about what they would do? One of the keys to being prepared is thinking about how you would respond. Our March IFMA Hampton Roads meeting will be presenting information on preparing for these types of events, what things to think about and ways to educate your employees as well as plan for business disruption.

Presenting this topic will be our IFMA President, Christine Mueller, FMA, LEED AP. Christine is the Assistant Vice President and Office Services senior manager for The Capital Group Companies, Inc. based in Norfolk. An experienced manager and facility professional offering skills in a variety of people management and technical areas, Christine oversees all Office Service responsibilities for Capital’s Norfolk, Carmel, IN and San Antonio, TX locations. Office Services is responsible for all aspects of facilities management as well as food service and security. Christine is also a member of Capital’s Security Coordinating Group that manages workplace violence prevention for Capital’s North American offices.

Christine has been a member of IFMA for 9 years, and is also a LEED, Accredited Professional in Operations & Maintenance for Existing Buildings, accredited by the United States Green Building Council. She has a Bachelor of Arts degree in Political Science from the California State University, Fullerton. Christine lives in Virginia Beach with her husband, Michael, son Samuel (age 15) and daughter Madelyn (age 11). She is an active volunteer with the Girl Scouts of Colonial Coast and her son’s Boy Scout troop as well with the PTA at Alanton Elementary school. Christine is an active member of Virginia Beach United Methodist Church.

Join us for this interesting, informative and educational meeting.
