A Trip Through Your Facility
How facilities use, consume and create energy - and how you can take action to deliver energy results
Presented Roger Shull, C.E.M.
Director of Energy Business Development
Damuth Trane Virginia

Roger has been focused on facility HVAC and Energy Management systems since he joined Damuth Trane in 1987. He's held several roles including sales engineer, sales manager, comprehensive solutions team leader and Federal Sector performance contracting executive.

In his current role, Roger works with building owners and facility directors to evaluate their building energy usage, leverage data collection technologies and to develop strategies for reducing energy consumption and operating costs. Roger earned a B.S. in Industrial Engineering from Purdue University, completed the Trane Graduate Training Program and is a Certified Energy Manager. Roger and his family reside in Virginia Beach, Virginia.

Register for the October Chapter Meeting.
