

MARCH 2022 NEWSLETTER

We had a good time and even swung the clubs a few times, as we conversed, and caught up with each other at the Top Golf networking event. Attendees brought canned goods and donated to the Food Bank. Many mentioned how nice it was to get out and gather together and catch up with what's going on in the different facilities around Hampton Roads. Please sign up for our emails so you will know when our next event takes place. We would love to have you come out and join us.

Also, here is a little information about the Food Bank. Please keep them in mind as they do great work in our community.

Since 1981, the Foodbank of Southeastern Virginia and the Eastern Shore, a member of Feeding AmericaTM and the Federation of Virginia Food Banks, has been providing food for people experiencing food insecurity throughout Southeastern Virginia and on the Eastern Shore. The Foodbank has distributed over 360 million pounds of food equating to over 300 million meals throughout our 4,745-square-mile service area.

MARCH'S EVENT

The Mariners' Museum and Park

March's event was held at the Mariners' Museum and Park. Jim Wetherbee and his team did an amazing job of presenting a behind the scenes tour of the museum. Everyone had a good time and was impressed with what they saw and learned. The Mariners' Museum Mission statement is "The Mariners' Museum and Park connects people to the world's waters, because through the waters—through our shared maritime heritage—we are connected to one another."

If you have a chance we highly recommend visiting the museum. Check them out here <https://www.marinersmuseum.org/>.
